ABNER DANIEL.

A tale of North Georgia country folk, most charming stories of real life ever written. If you like a good story you will certainly read this new serial.

WHAT IT MEANS.

A man says he will "guarantee" some article for "three years". What

does "guarantee" mean?
A three years' guarantee does not mean that an owner or anyone else is licensed to get an axe and hammer the guaranteed goods into a hopeless mass of unrecognizable matter, just to see if the guarantee is inside. It does not mean that you are permitted to throw the merchandise out of a six-story block just to see if it will break and

thus you are to get a new one. A guarantee means—as applied to the Douglas Patent Closet—that the Douglas is warranted to be free from imperfections in workmanship and material. If a flaw appears within three years from date of sale it is re-

placed—no charge.
And the Douglas sells for only \$25! The BUSINESS MAN'S HANDY IN-

DEX, published in the Saturday Bulle-tin and the Weekly Edition, gives a concise and complete resume of all legal notices, calls for tenders, Judg-"For Rent" cards on sale at Bulletin, ffice.
